

Ignite's story is simple . . .

We set out to invent a fire starter that would make igniting your fire easier. Whether it's a campfire, bonfire, charcoal grill, or wood-burning fireplace, Ignite makes it quick and easy to get started. Families can spend more time relaxing and enjoying the warmth and joy of a great time.

- Safe, burnable packet; once burned, nothing remains
- Perfect for campfires, fireplaces, ceramic and charcoal grills
- No flare-ups
- Flexible and small enough for backpacks and emergency kits
- One packet is all you need to Ignite a Fire!
